

Cancer doesn't affect just individuals. It affects their families, friends and community. That's one important benefit of cancer care at Union Hospital it keeps patients close to home and the lives they want to continue living.

We offer comprehensive cancer services, including prevention, detection, inpatient and outpatient treatment, follow-up care and ongoing support. And because the Union Hospital cancer program is certified by the Commission on Cancer of the American College of Surgeons and we are a recipient of its prestigious Outstanding Achievement Award, our patients can be assured they are receiving world-class cancer care right here in their own community.

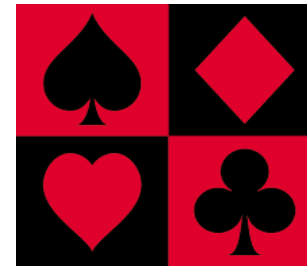

At the Cancer Center of Union Hospital, we understand cancer and its impact on the lives of patients and their loved ones.

All proceeds benefit Union Hospital's Cancer Program and go directly to helping local Cancer patients. Please join us in this event to raise funds for the Cancer Program. All donations, entry fees, and or goods are tax deductible.

139 W. Main St

Elkton, MD 21921
